**RE: DONATION CHEQUE TO D. J. COMPOSITES**

Dear Sister/Brother,

We would like to thank you for your generous donation in the amount of \$500.00 to our brothers and sisters who have been locked out by their Employer – D. J. Composites, in Gander Newfoundland since December of 2016.

This lockout is currently ongoing and we are still in conciliation. The Employer is not only bargaining in bad faith, but they are attempting to break the union, by taking away seniority rights and refusing to give back wages since their original Collective Agreement expired in March 2015. We anticipate that these workers will remain on the picket line for many more weeks.

Thank you so much for your support for these workers. They are more than appreciative.

Faternally,
